Purchaser's acceptance of certificates of insurance providing for other or different coverage than required in this Section shall in no event be deemed a waiver of any provisions of the Terms and Conditions. The minimum insurance requirements set forth in this Section do not in any way limit any indemnity obligation or other liability of Seller.
23. **Limitation of Liability.** EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THESE TERMS AND CONDITIONS AND/OR ANY SUPPLEMENTAL AGREEMENT, PURCHASER AND ITS AFFILIATES WILL NOT BE LIABLE TO SELLER OR ANY THIRD PARTY FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES

29. **License.** Seller hereby grants to Purchaser and its Affiliates a non-exclusive, irrevocable, royalty-free worldwide license to use, modify, and enhance the Pre-existing Intellectual Property (including the right to sublicense) to the extent that such license is required to enable Purchaser and its Affiliates to make use of or otherwise exploit the Products, including Work Product.
30. **Software.** If software is provided under this Purchase Order and such software is not Work Product, Seller hereby grants a worldwide, perpetual, royalty-free license to Purchaser and its Affiliates for any use, including copying, accessing, and creating derivative works. At Purchaser's request, Seller will return in a non-proprietary format, destroy and/or securely erase such records and electronic data in accordance with Purchaser's instructions. Seller shall notify Purchaser in the event of any loss, damage, or destruction of any records or electronic data during the retention period.
32. **Remedies Not Exclusive.** The rights and remedies of Purchaser provided under these Terms and Conditions are cumulative and not exclusive, and are in addition to any other rights and remedies provided at law or in equity or in any Supplemental Agreement.
33. **Independent Contractor.** The relationship of the Parties is that of independent contractors. The Parties will not be deemed partners or joint ventures, nor will one Party be

Neither Party has any express or implied right to assume or create any obligation on behalf of, or in the name of, the other Party or to bind the other Party to any contract, agreement or undertaking with any Third Party, and no conduct of a Party shall be deemed to imply such right.

34. **Fraud and Abuse.** The Parties intend and acknowledge that: (a) neither the Purchase Order nor any payment made under it, is in exchange for any explicit or implicit agreement or understanding that Seller refer, prescribe, recommend, use or purchase any products of Purchaser or its Affiliates, and (b) the total payment for the Products represents fair market value and has not been determined in any manner that takes into account the volume or value of any referrals or business between Seller and Purchaser or its Affiliates.

38. **Third Party Beneficiary.** Purchaser Affiliates are intended third party beneficiaries of these Terms and Conditions. Nothing in these Terms and Conditions is intended to, or shall, confer any right, benefit or remedy of any nature whatsoever upon any third party other than Purchaser Affiliates.

42. **Dispute Resolution.**
- (a) If a dispute arises between the Parties regarding the Purchase Order or a Supplemental Agreement, the Parties will attempt to resolve such dispute in good faith by direct negotiation by representatives of each Party. If such negotiation does not resolve the matter within twenty-eight (28) days after notice of the dispute is given, the matter will be resolved by the following alternative dispute resolution ("ADR") procedure.
- (b) To begin an ADR proceeding, a Party shall provide written notice to the other Party of the issues to be resolved by ADR. Within fourteen (14) days after its receipt of notice of ADR, the other Party may, by written notice, add additional issues to be resolved. Within twenty-one (21) days following receipt of the original ADR notice, the Parties shall select a mutually acceptable independent, impartial and conflicts-free neutral to preside over the proceeding. If the Parties are unable to agree on a mutually acceptable neutral within such period, each Party will select one independent, impartial and conflicts-free neutral and those two neutrals will select a third independent, impartial and conflicts-free neutral within ten (10) days thereafter. None of the neutrals selected may be current or former employees, officers or directors of either Party or its Affiliates. The Parties shall convene in a location mutually agreed upon to conduct a hearing before the neutral(s) no later than fifty-six (56) days after selection of the neutral(s) (unless otherwise agreed upon by the Parties).
- (c) The ADR process shall include a pre-hearing exchange of exhibits and summary of witness testimony upon which each Party is relying, proposed rulings and remedies on each issue, and a brief in support of each Party's proposed rulings and remedies not to exceed twenty (20) pages. The pre-hearing exchange must be completed no later than ten (10) days prior to the hearing date. Any disputes relating to the pre-hearing exchange shall be resolved by the neutral(s). No discovery shall be permitted by any means, including depositions, interrogatories, requests for admissions, or production of documents.
- (d) The hearing shall be conducted on two (2) consecutive days, with each Party entitled to five (5) hours of hearing time to present its case, including cross-examination. The neutral(s) shall adopt in its entirety the

proposed ruling and remedy of one of the Parties on each disputed issue but may adopt one Party's proposed rulings and remedies on some issues and the other Party's proposed rulings and remedies on other issues. The neutral(s) shall rule within fourteen (14) days of the hearing, shall not issue any written opinion, and shall not refer any portion of the dispute to mediation without the Parties prior, written consent. The rulings of the neutral(s) shall be binding and non-appealable and may be entered as a final judgment in any court having jurisdiction.

(e) The neutral(s) shall be paid a reasonable fee plus expenses. These fees and expenses, along with the reasonable legal fees and expenses of the prevailing Party (including all expert witness fees and expenses), the fees and expenses of a court reporter, and any expenses for a hearing room, shall be paid as follows: (i) if the neutral(s) rule(s) in favor of one Party on all disputed issues in the ADR, the losing Party shall pay 100% of such fees and expenses; (ii) if the neutral(s) rule(s) in favor of one Party on some issues and the other Party on other issues, the neutral(s) shall issue with the rulings a written determination as to how such fees and expenses shall be allocated between the Parties. The neutral(s) shall allocate fees and expenses in a way that bears a reasonable relationship to the outcome of the ADR, with the Party prevailing on more issues, or on issues of greater value or gravity, recovering a relatively larger share of its legal fees and expenses.
